# HM Land Registry

**Business Gateway
Vendor test data**

**Attachment service (for EDRS)**

**Version 2.1**

# HM Land Registry

Note: All tests require the basic minimum data items (as per the schemas).
This will actually be ignored by the system but is needed to pass xml validation.
Items highlighted in red in the test documentation are needed for the test to return the correct response.

## 1. Attachment Service

| Test: Attachment Service 01 Test purpose: Lodge an attachment out of hours | | | |
