6. Scenario 6

Dispositional First Lease

Thomas Horsman & Jennifer Horsman own 15 Coral Close, Tuffley and decide to lease the first floor flat to Roger Mellor for a period of 99 years at a consideration of £90,000. The property is registered with HM Land Registry under title number GR521889. Roger's conveyancer submits the application to HM Land Registry. The conveyancer acting for Thomas and Jennifer certifies their identity and requires third part notification once the application has been completed.

Documents required by Land Registry:

6.3 Attachment service

For this scenario the attachment service can be called once for each of the declared applications/supporting documents. Once for the lease, another for the discharge and the final Stamp Duty Land Tax form. The attachment Id should change to match the corresponding application/document.

Attachment request using a supported file

```
<ns3:newAttachment xmlns:ns1="http://www.oscre.org/ns/eReg-Final/2012/RequestAttachmentV2_1"

Once the application has been processed a poll request for the completed application can be made. For the test stubs this has already been processed and so the poll can be completed at anytime. For the live service it will be expected that the outstanding request service will be used to confirm if a response has been generated, and ready for collection.

6.4 Electronic Document Registration Poll Service

Request the application response:

```
<ns3:getResponse xmlns:ns2="http://www.oscre.org/ns/eReg/MR01-20090605/PollRequest"
