

Stratford-on-Avon District Council

What does the rule relate to?	Rule	Live example (before and after)
Financial charges	All part 2 charges have amounts originally secured and rates of interest populated	<p>Before: Some Part 2 charges had both amounts and rates of interest blank</p> <p>After: Amount and rates of interest are populated for all Part 2 charges</p>
Descriptions	Descriptions have been shortened to comply with HMLR's character limit	<p>Before: Descriptions with an exceeding character limit (1500 characters) were revealed on search results</p> <p>After: All descriptions have less than 1500 characters</p>
Registration Dates	Conditional Planning Consents with missing registration dates had them created by adding 7 days on top of the creation dates	<p>Before: Registration dates were not revealed for Conditional Planning Consents.</p> <p>After: All Conditional Planning Consents have registration dates populated</p> <p>e.g.</p> <p>if the charge's creation date was 01/01/2020 then the registration date was set to 08/01/2020</p>
Addresses	Some Conditional Planning Consents had 'Default Address' as an address. The actual addresses were held in the descriptions.	<p>Before: Charges had incorrect addresses</p> <p>After: All charges have correct addresses</p>

Application Types and Decision Statuses	Within conditional planning consents, charges with non-registrable application types and decision statuses have been removed	<p>Before: Charges with non-registrable application types and decision statuses were appearing on search results</p> <p>After: Search results should only reveal registrable charges</p>
Legislation	<p>Legislation is provided for the following charge types:</p> <ul style="list-style-type: none"> <li>- Conditional Planning Consents</li> <li>- Listed Buildings</li> <li>- Ancient Monuments</li> </ul>	<p>Before: Search results have not provided legislation for the mentioned charge types</p> <p>After: Relevant legislation is revealed on search results</p>
Further Information Location	Further Information Location fields were fully populated so that users are informed where to enquire for additional information	<p>Before: Search results have not provided further information location for all charges</p> <p>After: Search results inform users where to obtain additional information about a charge</p>
Charge creation dates	Charge creation dates were added to the majority of Ancient Monuments and Listed Buildings. There will be a select number of Ancient Monuments and Listed Buildings which will remain without creation dates as they were not available.	<p>Before: Search results have not revealed creation dates for Ancient Monuments and Listed Buildings.</p> <p>After: Search results reveal charge creation dates for the majority of Ancient Monuments and Listed Buildings</p>
Registration dates	Missing registration dates have been populated	<p>Before: Some charges had missing registration dates</p> <p>After: Registration dates are revealed for all charges</p>
